

Insurance Dividend Program

NUCA of Colorado, in conjunction with Moody Insurance Agency and Bituminous Insurance Company, is pleased to introduce a new insurance dividend program created for NUCA of Colorado members.

This program is unique in that it pays dividends on your commercial insurance exposures including general liability, property, equipment, and automobile.

Some of the benefits/requirements include:

- **Potential for 15-20% dividend based on the overall profitability of the group****
- **Customized risk control safety services – based on Bituminous' expertise in the Colorado Construction market**
- **The program is accessible to all licensed Bituminous agents**
- **Must be an active member of NUCA of Colorado in good standing**
