EXPO '08 — *The Executive Experience*

Utility construction professionals looking to escape the winter grind on the mainland next January will be heading for the sun and sand of the amazing Grand Hyatt Kauai Resort & Spa on the island of Kauai for Utility Construction EXPO '08.

Owned and operated by the National Utility Contractors Association, Utility Construction EXPO is where construction professionals convene each year for the industry's most valuable show. The 2008 EXPO will have a slightly different look. To help our Associate members contain their shipping costs, especially in a year with both ConExpo and ICUEE on the calendar, NUCA is scaling back the equipment aspect of EXPO '08 and adding interactive educational and networking sessions aimed at owners and operators of construction firms. We call it the Executive Experience.

The educational program at EXPO '08 will be targeted directly at construction executives, with topics like economic forecasting, maximizing leadership, and succession planning. Taking full advantage of the tropical paradise, our intention is to keep the sessions short and productive and to maximize our time outdoors with a variety of fun, relaxed activities. Some will be team-building-type events, others will be kick-back and put-your-feet-up type events, and all will be great opportunities to meet and mingle with industry leaders.

Industry leaders support and attend Utility Construction EXPO because unlike other trade shows, EXPO proceeds are funneled back into safety programs, legislative advocacy initiatives, and other services that improve and promote the business operations of utility contractors. They support EXPO because EXPO supports them.

The elegant and luxurious Grand Hyatt Kauai Resort & Spa envelops you with a sense of serenity that stays with you long after you depart. Delight in the spacious guest rooms, each with private lanai and stunning views. Float effortlessly along the lagoons, indulge in a reviving treatment at ANARA Spa, or simply take in the refreshing ocean breezes from our beautiful white-sand beach. Championship golf, tennis, fine dining, and more make this Garden Isle retreat a delightful escape.
