Plus other companies involved with our local industry. See membership categories below.

Who Are We?

NUCA Greater Kansas City Region Chapter is a trade association working to protect and advance the region's excavation and utility construction industry. Our member companies provide the materials and workforce that builds and maintains our region's network of water, sewer, gas, electric, telecommunications, excavation, treatment plant, and construction site development industries.

Choose Your Membership Type – 3 Options:

>Excavators / Utility Contractors: [Download Activation Form here](#). For companies engaged in excavation, site preparation, earth moving, or the construction/rehabilitation of utility systems including, but not limited to, storm sewers, sanitary sewers and drainage systems, water lines, cables (underground communication and electric), ducts, conduits, gas lines, tunneling, boring, trenchless construction, treatment systems, pump stations and other utility construction and appurtenances thereof.

>Specialty Contractors: [Download Activation Form here](#). For companies that employ labor on the jobsite, but do not bid or perform any utility construction or excavation work. Examples include landscaping, concrete, paving, demolition, dewatering, site cleanup, video inspection and more.

>Associates / Supplier Companies: [Download Activation Form here](#). For individuals, firms and companies involved in the excavation and utility construction industry as a supplier of equipment, materials, or services to contractors.
