

NUCA/PAC IS YOUR VOICE ON THE HILL: WE DIG CONGRESS

NUCA/PAC is supporting candidates for federal office who are a pro-infrastructure, pro-business and who understand the importance of our industry to American's economy. The Federal Elections Commission requires trade associations like NUCA to receive prior authorization from a member company before communicating with its eligible employees any information related to **NUCA/PAC**.

I authorize NUCA's Political Action Committee, NUCA/PAC, to solicit voluntary contributions from me for the calendar years below from all eligible employees or from only those listed on the back of this form as indicated by my signature for each year:

Member companies of NUCA may grant prior authorization to only one national trade association PAC per calendar year. However, granting prior authorization for NUCA/PAC does not preclude employees of the member companies from contributing to local or state PACs, national member ideological PACs or the Company's own federal PAC. Granting prior authorization does not mean you are required to contribute to NUCA/PAC.

I authorize NUCA's Political Action Committee, NUCA/PAC, to solicit voluntary contributions for the signed calendar years (listed on the front page) from all employees listed below:
