Zach Nunn Wins Infrastructure's Endorsement! *NUCA Endorses Zach Nunn for Congress*

(Fairfax, Virginia) – The National Utility Contractors Association is proud to announce their endorsement of Zach Nunn for the U.S. House of Representatives in Iowa's Third Congressional District seat.

"Zach's work in the Iowa State House demonstrated that he has the interests of this state's utility construction industry uppermost in his mind," said Doug Carlson, NUCA Chief Executive Officer. "With the passage of last year's infrastructure law behind us, the implementation phases are what will demand Congress's attention. Zach's presence in Washington will not only monitor government bureaucrats implementing these programs, but also ensure Iowa receive its fair share of these taxpayer resources."

"Our Iowa contractor members are eager to build or restore their community's underground water, wastewater, electric, and broadband systems. NUCA endorses Zach Nunn for Congress--he's a solid supporter of building American infrastructure," concluded Carlson.
