NUCA Laments Loss of A Great Association Advocate
United Rental's Richard Overman Will Be Greatly Missed at NUCA

(Fairfax, Va.) – *The chief executive officer of the National Utility Contractors Association (NUCA), Doug Carlson, issued the following statement about the untimely loss of Richard Overman of Charlotte, North Carolina:*

“Richard’s untimely passing on June 17 will leave a very noticeable absence in NUCA and in America’s utility construction industry. He was an ardent supporter of NUCA and our national partner United Rentals, with his energetic presence at our national events always assured. He brought to our Conventions his quick-witted personality, always ready with support for our members and their businesses. You do not find enough people in an industry with his enthusiasm for supporting an organization like ours, and his loss will be felt at NUCA.

Richard will be greatly missed by all of us in the industry and at NUCA. The thoughts and prayers of NUCA’s members and our association staff are with his family at this difficult time.”
