

JUNE IS TRENCH SAFETY MONTH!

Safety Training and Protective Systems Save Lives

Trench Safety Stand Down Week | June 19–23, 2023

Make plans for your company to participate in the 2023 NUCA Trench Safety Stand Down (TSSD) Week. Being a part of our popular 7th annual TSSD Week will help educate your employees on trenching hazards at the jobsite.

OSHA's National Emphasis Program on Trenching and Excavation is a high agency priority. Sponsored this year by NUCA National Partners United Rentals and Sunstate Equipment Co., NUCA and OSHA have teamed up for our annual trench safety program. More than 22,500 employees on 1,967 jobsites from 345 companies participated in the 2022 TSSD.

Every company or organization that holds a TSSD will receive a certificate of participation, as well as hard-hat stickers for every employee who participated. Recognition will also be given in NUCA publications. Please plan for your company to be a part of this vital industry safety event this year.
